Hiller Separation & Process Receives 2013 Best of Lampasas Award

Lampasas Award Program Honors the Achievement

LAMPASAS December 11, 2013 -- Hiller Separation & Process has been selected for the 2013 Best of Lampasas Award in the Construction category by the Lampasas Award Program.

Each year, the Lampasas Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Lampasas area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Lampasas Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Lampasas Award Program and data provided by third parties.
